Due to manufacturers size requirements, children under 36" may not purchase a wristband unless an accompanying adult purchases a wristband also to ride with the child. Rides will be limited for children under 36" to rides that adults can ride with their children. Please measure your child and check all height requirements before purchasing a wristband. For the safety of all involved, all riders must obey all rules set by the manufacturer & Burton Brothers Amusements!

Thanks & Have a great time!
