

Dear Hancock Co. 4-H Buyer,

First, we want to say that we hope you are staying safe and healthy during these times. We also want to thank you for your support of the Hancock Co. 4-H Fair, the livestock sale and, of course, our 4-H youth.

In the world that we are living in today with COVID-19, the summer that we once looked forward to and enjoyed is going to look very different this year - especially our 2020 Hancock Co. 4-H fair and livestock sale. Although we all wish that we could be together to celebrate the ending of another great fair, and the hard work and dedication that our 4-Hers put forth in their projects, we are trying to do the best we can to navigate these uncharted waters.

As a sale committee, along with the Hancock Co. Ag Association and Fair Board, we want to continue to recognize our 4-Hers that participated in a livestock project this year. We have updated our brochure with details on how you can support our beef, dairy, goat, poultry, rabbit, sheep and swine showmen. We've outlined multiple ways that you can contribute. More forms are available on the fairgrounds' Facebook and website, or at the extension office. Please complete and send in forms by July 31.

If you have any questions about the 2020 Livestock Sale and how to contribute to a 4-Her this year, please contact:
